RE: Mark Lisle, NOV Docket # 4774-10

Copy: NOV Docket # 4774-10 file
Barb Barnes, IPS
Attorney General's Office-Jeremiah Williamson

The WQD issued this Notice of Violation and Order to Mark Lisle (Mark Lisle) for an unpermitted discharge of raw sewage at a residence located in Goshen County. The Order requested Mr. Lisle to install a new septic system on the property for waste disposal from the residence. The DEQ/WQD has received information from the Wyoming Attorney General's office (AG) that the residence and property under management by Mark Lisle were sold and the house has been destroyed. DEQ personnel verified this information on February 9, 2012. At this time we have opted to close the Order and consider NOV #4774-10 to be resolved.

Thank you for your attention in this matter
